Profile

Aspiring Software Engineer with strong problem-solving skills and MERN stack expertise, passionate about building modern web applications. Eager to mentor and teach, helping others grow alongside my own learning journey.

Education

Bangladesh University of Business and Technology (BUBT) Mirpur-2, Dhaka
Bachelor of Science in Computer Science and Engineering 2023 – Present

- **CGPA: 3.87**
- Relevant Coursework: C, C++, OOP, DSA, Database Systems, System Analysis and Design
- Solved 900+ ACM problems across *Codeforces* and onsite contests

Tamirul Millat Kamil Madrasah (Tongi Branch) Tongi, Gazipur
Alim Examination (HSC Equivalent) Exam 2022

- **GPA: 5.00**
- Science Group

Tamirul Millat Kamil Madrasah (Tongi Branch) Tongi, Gazipur
Dakhil Examination (SSC Equivalent) Exam 2020

- **GPA: 5.00**
- Science Group

Skills

Programming Languages: C, C++, JavaScript (ES6), Java

Web Technologies: HTML, CSS, React JS, Tailwind CSS, Node JS, Express JS

Databases: MySQL, MongoDB

Frameworks & Tools: Git, GitHub, Linux, Render, Vercel, Netlify, NPM, Postman, Excel

Development Tools: VS Code, Bash, Figma

Projects

AI Fake PhotoCard Detector Dec 2025
Live / *Frontend* / *Backend*

- Designed and implemented an AI-based system to detect fake photocards using image analysis techniques.
- Applied image preprocessing and classification methods to identify forged or altered visual content.
- Demonstrated the practical application of AI concepts in real-world document verification.
- **Tools:** Node JS, Tesseract JS, Hugging Face, Z.ai, React JS, MongoDB, Render

University Suggestion Management System Jul 2025
Live / *Frontend* / *Backend*

- Developed a centralized web-based system for managing and organizing student suggestions within the university.
- Designed relational database schemas and implemented CRUD operations to ensure structured data storage and retrieval.
- Incorporated role-based access and filtering features to improve data organization and usability.
- Admin Dashboard for User Management.
- **Tools:** React JS, Node JS, Express JS, MySQL, Vercel.

ICPC Team Finder BUBT Dec 2024
Live / *My Contribution* / *Original Project*

- Contributed to the user interface development of a web-based platform designed to help BUBT students form ICPC contest teams.
- Improved UI components and usability to streamline team creation and participant coordination.
- Supported a system actively used within the university during recent ICPC contests.
- **Tools:** HTML, CSS, Tailwind CSS, JavaScript.

- Developed a lightweight file storage and sharing system to support document transfer within Laboratory 520 at BUBT.
- Enabled secure uploading and retrieval of small documents to replace physical storage devices such as pen drives.
- Integrated cloud-based storage using Cloudinary to ensure reliability and prevent data corruption.
- **Tools:** React JS, Node JS, Express JS, Cloudinary, MongoDB, Firebase , Vercel, Render.

Achievements

- Runner-up — Intra University Programming Contest (BIUPC Fall 2024)
- 4th Place — Web Development Boot-Camp (Programming Hero)
- 10th Place — Intra University Programming Contest (BIUPC Spring 2024)

Certifications

- | | |
|---|----------|
| • InnovateX National Hackathon by BUBT IT Club and Programming Hero | Nov 2025 |
| • BUBT Inter University Collaborative Programming Contest (BIUCPC) | Nov 2025 |
| • Intra University Programming Contest (BIUPC) | Dec 2024 |
| • Inter University Collaborative Programming Contest (UAP) | Jan 2024 |
| • Web Development Boot-Camp — Programming Hero | Dec 2023 |

Volunteer Experience

ICPC Asia Dhaka Regional Contest (Hosted by BUBT) December 2025

- Assisted judges during live contest sessions.
- Coordinated with technical team leads to manage contest systems.
- Helped resolve real-time technical issues during the contest.

Bangladesh Artificial Intelligence Olympiad 2025 May 2025

- Served as a Room Guard Volunteer during examination sessions.
- Assisted judges and organizers with coordination and logistics.
- Ensured a disciplined and disruption-free examination environment.

National IT Competition for Youth with Disabilities 2024 (BCC & BUBT IT Club) 2024

- Served as a Room Guard Volunteer during examination and contest sessions.
- Assisted judges and organizers with coordination and administrative support.
- Helped ensure a disciplined, inclusive, and smoothly conducted competition environment.

ICPC Asia West Continent Championship, Dhaka Site March 2024

- Worked as a member of the Media Team supporting technical operations.
- Assisted with live session setup, streaming, and real-time updates.
- Coordinated with organizers to ensure smooth information flow.

Intra-Intake Programming Contest (Intake 52, CSE BUBT) March 2024

- Served as an organizer, contributing to overall contest planning and coordination.
- Developed and maintained the contest website for participant registration and information.
- Designed promotional and contest-related graphics to support event communication.
